New "Happy Girl" Package

We at HH co have realized that you girls don't just want to surf all day so we have put together a new programme to meet your needs. This package is geared towards "GIRLS ONLY". We have asked many of our girl guests what they thought to our current package and apart from being exhausted by our surf programmes we gathered the following information and have designed this tailor made program to suit your needs.

- 7 nights accommodation (The Oasis)
- 3 Days surfing in Ericeira, Santa Cruz and Peniche
- A Pilates class
- A Full body Massage
- A Local cuisine course (full morning)
- A Cultural day (Sightseeing and shopping)

599.00 Euros includes all equipment, airport transfer and photography package

We want you to relax, have fun and to appreciate the true Portuguese Culture. Any further ideas please let us know.

Introducing the Eco Lodge

The Hornyhead Surf Travel Co welcomes the arrival of the new "Eco-Village". This concept is set in the beautiful, rustic grounds of an old Portuguese Quinta. Our guests will receive a four bed roomed log Cabin, with Kitchen, Flat screen & DVD. The accommodation is surrounded by a sustainable "Eco pool" governed by groups of Lilies which make this a natural, chlorine free swimming pool. An outdoor barbecue area.

A pool house set with coffee machine, Pool Table, Gym and relaxation Lounge. We also have a cellar for dinner in the evenings. This entire new development is totally geared towards relaxation. With underground parking and five minutes walk to Ericeira the "Eco Village" is an ideal family or group alternative. Each accommodation sleeps 4 people.
